BUSINESS REGISTRATION FORMS AND INFORMATION

This packet contains information and forms you will need to register your business with the Division of Revenue and Enterprise Services (DORES). By completing and filing a Business Registration Application (NJ-REG), a business will be registered for applicable taxes and related liabilities that are administered by the Department of Labor and Workforce Development and Division of Taxation. Businesses may register online or may submit form NJ-REG and if applicable, the Public Records Filing for New Business Entity. After registering, businesses will receive the forms, returns, instructions and other information required for on-going compliance with New Jersey State taxes. If you are registering for the first time, you are also required to complete the New Hire Reporting Form (pages 29-30).

Applicants who are registering as **Sole Proprietors or Partnerships** may file online at <https://www.njportal.com/DOR/BusinessRegistration> or may file pages 17-19, form NJ-REG. Applicants who are registering a new business entity (Limited Liability Company, Limited Partnership, Limited Liability Partnership, or a Corporation), and who have already formed a new business with our Commercial Recording/Corporate Filing Unit, may file online at <https://www.njportal.com/DOR/BusinessRegistration> or may file pages 17-19, form NJ-REG. There is no need to complete pages 23-24 of this package if you have successfully filed with Commercial Recording. Applicants who are registering as a new **Business Entity** (Limited Liability Company, Limited Partnership, Limited Liability Partnership, or a Corporation) may file online at <https://www.njportal.com/DOR/BusinessFormation/Home/Welcome> or may complete the **Public Records Filing for New Business Entity** pages 23-24 in addition to pages 17-19. Please note that the **Public Records Filing** should be submitted prior to the completion of form NJ-REG, but form NJ-REG must be submitted within 60 days of filing the new business entity.

Sales Tax? If you will be collecting Sales Tax, you must submit your NJ-REG at least fifteen days prior to the date of your first sale, remitting use tax, or using NJ exemption certificates. TAXES OF THE STATE OF NEW JERSEY

The following outline provides basic information regarding taxes imposed by the State of New Jersey and administered by the Division of Taxation and the Division of Revenue and Enterprise Services (DORES) that a new business may be responsible for collecting and paying.

NEW JERSEY GROSS INCOME TAX (N.J.S.A. 54A:1-1 et seq.)

Personal income tax is imposed on the New Jersey taxable income of resident and nonresident individuals, estates and trusts for taxable years ending on or after July 1, 1976. Residents are subject to tax on all income, regardless of where it was earned, while nonresidents are only subject to tax on income derived from sources within New Jersey.

The withholding requirements apply to every New Jersey employer making payment of taxable wages. For New Jersey Gross Income Tax purposes, the term "employer" includes organizations that may be exempt from Federal income tax or New Jersey Corporation Business Tax, such as religious organizations and governmental agencies.

Generally, anything regarded as "wages" for Federal withholding purposes is subject to withholding for the New Jersey Income Tax. Every taxpayer is required to file a quarterly return of tax withheld (NJ-927) for each calendar quarter. Some taxpayers are also required to file a monthly remittance (NJ-500). Taxpayers classified as "weekly payers" must remit payment of withholdings by means of Electronic Funds Transfer (EFT) on the Wednesday of the week following the week in which the taxes were withheld. Taxpayers not classified as weekly payers must remit the tax withheld with their withholding return either monthly or quarterly, depending on the amount of withholding liability.

RECIPROCAL AGREEMENT (NJ & PA Residents Only)

Under the Reciprocal Tax Agreement, the compensation derived by residents of either state (New Jersey or Pennsylvania) will be subject to income tax only in the state of residence including compensation income derived from sources within the other state.

Compensation that is limited to the provisions of the Reciprocal Agreement means salaries, wages, tips, fees, commissions, bonuses and other remuneration received for services rendered. Businesses or professional income earned by a resident of either state is not covered by the Reciprocal Agreement and is subject to the income tax of the state in which it is earned.

UNEMPLOYMENT & DISABILITY TAXES – If you are employing, or expect to employ, one or more persons, you should notify DORES so that a determination can be made as to whether or not you are subject to the law. Under the law (N.J.S.A. 43:21-19(h1) et seq.) it is your responsibility to make the fact known.

DETERMINATION OF LIABILITY – If you start a business and employ one or more individuals and pay wages of \$1,000 or more in a calendar year, you may be subject to the law.

If you acquire the organization, trade or business, or substantially all the assets of an employing unit which is already subject to the law, you immediately become a subject employer.

If you are subject to the provisions of the Federal Unemployment Tax Act (FUTA), you automatically become subject under the law, unless the services performed are specifically excluded under the New Jersey law. An employing unit is generally subject to FUTA if it had covered

employment during some portion of a day in 20 different calendar weeks within the calendar year or had a quarterly payroll of \$1,500 or more.

Note: Agricultural Employers – You are liable for contributions on wages paid to agricultural employees if:

1. You were already a registered employer, or
2. Not registered, you were or became subject to the law, having paid wages of \$1,000 or more in a calendar year to one or more workers for services performed in a non-agricultural business operation, or
3. You acquired the organization, trade or business, or substantially all the assets of an employing unit already subject to the law, or
4. You are subject to the Federal Unemployment Tax Act, or
5. Not subject under the above provisions, you:
 - a. Paid gross cash remuneration of \$20,000 or more to individuals employed in agricultural labor during any calendar quarter, or
 - b. Employed ten or more individuals in agricultural labor, regardless of whether they were employed at the same moment of time, for some portion of a day in each of 20 different calendar weeks, whether or not such weeks were consecutive.

SPECIAL EMPLOYERS – Under certain circumstances, a crew leader who provides a crew to an agricultural employer, can be considered the employer of the crew for unemployment tax purposes. The agreement between the crew leader and entity must comply with all Federal and State regulations and the crew leader must be registered under the New Jersey Crew Leader Registration Act. For further information contact any Regional Office.

DOMESTIC EMPLOYERS – In order for you to become subject to the law, you must have paid gross cash wages of at least \$1,000 to domestic labor in a calendar quarter.

The State of New Jersey and its political subdivisions are subject to the law.

WITHHOLDING REQUIREMENT FOR UNREGISTERED, UNINCORPORATED CONTRACTORS (N.J.S.A. 54A:7-1)

All persons and businesses, other than governmental entities, homeowners or tenants, maintaining an office or transacting business in New Jersey and making payments for services to unregistered, unincorporated contractors – whether residents or nonresidents – must withhold New Jersey Gross Income Tax at the rate of 7% of the amount paid. More information on the Withholding Requirement for Contractor Services is available on the Division of Taxation's website at: <https://www.state.nj.us/treasury/taxation/noticegit.shtml>.

SET OFF OF INDIVIDUAL LIABILITY (N.J.S.A. 54A:9-7 et seq.)

Public Laws of 1981, Chapter 239, provides the authority for the New Jersey Department of Treasury to apply or cause to be applied any

monies due a taxpayer as a Gross Income Tax refund or Homestead Property Tax Rebate, or both, if necessary, toward satisfaction of any indebtedness that the taxpayer may have outstanding to any agency or institution of the New Jersey State Government or the Federal Internal Revenue Service.

CORPORATION BUSINESS TAX (N.J.S.A. 54:10A-1 et seq.)

Every corporation must, before commencing to do business in this State, obtain a Corporate Charter from DORES.

NEW JERSEY S CORPORATIONS

Chapter 173, P.L. 1993, provides that a corporation may elect to be treated as a New Jersey S Corporation. A corporation may make the election to be treated as a New Jersey S Corporation only if the corporation is or will be an S Corporation pursuant to Section 1361 of the Federal Internal Revenue Code, and each initial shareholder of the corporation consents to the election and the jurisdiction requirements by submitting the S Corporation election form (CBT-2553).

Foreign corporations which carry on any activity or own or maintain any property in this state, unless specifically exempted, must file an annual Notice of Business Activities Report. No report is necessary if the foreign corporation has received a Certificate of Authority to do business in New Jersey or has filed a timely return as required under the Corporation Business Tax or the Corporation Income Tax Acts.

The failure of a foreign corporation to file a timely report may prevent the use of the courts in New Jersey for all contracts executed and all causes of action that arose at any time prior to the end of the last accounting period for which the corporation failed to file a required timely report.

CORPORATION BANKING AND FINANCIAL BUSINESS TAX

The Law exempts certain necessities such as most food sold as grocery items, prescription drugs and most over-the-counter drugs, most clothing and footwear, and certain utilities such as water, steam, and fuel. In addition, there are tax exemptions for certain items and services when used or consumed under specifically defined conditions or circumstances.

The sales tax is imposed on the consumer; however, anyone required to collect Sales and Use Tax does so as a trustee on behalf of the State of New Jersey and may be held personally liable for failure to collect the tax when required or for failure to file returns and remit any taxes due on a timely basis.

PAPERLESS/ELECTRONIC FILING

Multiple opportunities are now available for businesses to file and pay their New Jersey tax and reporting obligations without paper. These methods are not only convenient but they also decrease potential filing errors, and in most cases provide immediate confirmation of the filing and payment itself.

As the State of New Jersey moves toward the elimination of paper filing, electronic filing mandates are being established. In many cases, filers of multiple returns who meet designated thresholds must file electronically. The State now mandates that all new business registrants use paperless filing and payment methods for selected tax returns and reports. It is now mandatory to E-file Sales Tax as well as the business's annual report. Please visit the Division of Revenue and Enterprise Services (DORES) website at www.nj.gov/treasury/revenue to see the online options that are currently available.

ELECTRONIC FUNDS TRANSFER (EFT) PROGRAM

DORES has established procedures to receive payments, including most tax payments, electronically. The New Jersey Electronic Funds Transfer (EFT) program manages these payments. Some businesses are required by statute to remit tax payments electronically. If your business meets these requirements, you will be notified by the Division of Revenue and sent all necessary information to enroll in the program. Voluntary participation is also encouraged.

The EFT Program offers convenient **payment options** for businesses using the ACH debit method of payment. If you currently make electronic tax payments via phone, the same taxpayer ID and PIN can be used if you choose the online payment option.

Online Convenience – Managing electronic transactions from a secure website offers a degree of control and flexibility that isn't available when making payments by phone. This highly productive online solution is easy to set up and use, and offers several benefits such as a secure website, electronic confirmations, payment tracking, payment history, live phone support, screens that match phone options, and availability from any location, anytime.

PC Software – This software runs on your desktop computer, and can be obtained **free of charge** by contacting the EFT Program. This tool is an ideal option for third party transactions, including payroll companies, tax preparers or accountants managing complex accounts with multiple transactions. This software is especially useful for companies making a large volume of electronic payment transactions. Benefits include management of complex multiple payments, electronic confirmations, payment tracking and review of payment history and live phone support.

Interactive Voice – This technology maximizes phone productivity, and allows you to dial in without having to wait for an operator. Benefits include availability from any touch-tone phone, voice prompts, and easy to navigate structured options.

Get Started Today – To learn more about these options or to enroll in the EFT program, please visit the Division of Revenue's website at www.nj.gov/treasury/revenue or call 609-292-9292.

- Depository account as assigned by the Treasurer; or

Payment Methods – You may pay for services via credit card (MasterCard/Visa, Discover and AMEX) or depository account (one payment method per request).

Delivery/Turnaround – Barring difficulties beyond DORES control, including those that affect the Division’s data communication or data processing systems, all EXPEDITED requests delivered to the FFS workstation between 8:30 a.m. and 5:00 p.m. on workdays will be processed and returned within 8.5 business hours, while SAME DAY requests delivered by 12:00 noon on workdays will be processed by 5:00 p.m. the same day. Requests received during off hours, weekends or holidays will be processed on the next work day, in 8.5 business hours. In the event of down time, upon system recovery, requests will be processed in receipt date/time order.

Cover Sheet – with your transmission, send a cover sheet entitled:
New Jersey Department of the Treasury
Division of Revenue and Enterprise Services
Facsimile Filing Service Request

The cover sheet must include work request details: Name of firm or individual transmitting the service request; date of submission; depository account number or credit card number with expiration date; description of service requested e.g., “Certificate of Incorporation”; business name associated with the filing (proposed name for a new business entity); desired service level (EXPEDITED or SAME DAY); total number of pages in the request transmission, including cover sheet; and fax back number.

Note: DORES will accept one filing per FFS. Requests lacking cover sheets or required cover sheet information may be rejected. Requests that do not contain a fax back number will not be processed. Also, if a service level is not specified, the Division of Revenue will assume that the request is for EXPEDITED service.

DORES will make three attempts to transmit to the fax back number you provide. If the transmissions are unsuccessful, the Division will send acknowledgments of completed filings to the registered office of the business entity via regular mail; or hold rejections in a pending file for two weeks, and dispose of the material thereafter.

Receiving Processed Work Back – For accepted work, the Division of Revenue and Enterprise Services will enter your Public Records Filing and Consolidated Registration application, and fax back an FFS Customer Transmittal with a copy of the approved Public Records Filing form stamped “FILED”. For rejected work, the Division will fax a FFS Customer Transmittal and Rejection Notice. If your submission is rejected, correct all defects and resubmit your filing as a new FFS request.

NEW JERSEY NEW HIRE REPORTING DIRECTORY

On March 5, 1998, Governor Whitman signed into law the New Jersey Child Support Act, P.L. 1998, C.1. The Act requires all New Jersey employers to report basic information about employees who are newly hired, rehired, or who return to work after a separation of employment. This information will be used principally to help locate parents who owe child support. It will also be used to identify recipients of public assistance and unemployment compensation who fail to report earnings.

If you are interested in reviewing either P.L. 1998, C.1 or the regulations promulgated by the Department of Human Services to implement the provisions of the law, you may do so through the following sources: the law is available at the New Jersey State Law Library 609-292-6230 and the regulations were published in the New Jersey State Register on June 1, 1998 and are available at most public libraries.

HOW IT WORKS

New Hire information provided by employers will be compiled on a computer file and will be compared to the database of individuals who are required to pay child support. When a “match” occurs, a notice is sent to the child support obligor’s employer, notifying the employer to withhold child support and remit the funds in accordance with the income withholding notice.

The New Hire file is compared to databases of applicants and recipients of various compensation benefits. Match information is used in determining if these individuals are reporting earnings as required. This screening process will save taxpayers millions of dollars each year by preventing and detecting fraud.

WHO REPORTS

- All employers with business operations in New Jersey are required to submit New Hire Reports unless you are a multi-state employer and have notified the federal government as required by P.L. 104-193.
- Some payroll processing services automatically report newly-hired employees. If you use a payroll processing service, ask if they send reports on behalf of your organization.

WHO MUST BE REPORTED

- All newly hired employees who work in New Jersey must be reported. If you are unsure whether an individual is an “employee” consult New Jersey Law P.L. 1998, C.1.
- Employees who are returning to the payroll after a lapse in employment and for whom a W-4 must be completed.

WHEN TO SEND REPORTS

- If reporting through electronic media, submit the new hire report within 15 days of the employee’s first day on the job.
- If submitting by any other means, submit within 20 days of the employee’s first day on the job.

QUARTERLY WAGE REPORTS SUBMITTED TO THE NJ DEPARTMENT OF THE TREASURY, DIVISION OF REVENUE AND ENTERPRISE SERVICES, DO NOT SATISFY THE OBLIGATION TO SUBMIT TIMELY NEW HIRE REPORTS

WHAT TO REPORT

- The employer’s Federal Employer Identification Number (FEIN), including company name and address.
- The employee’s Social Security number, name and address.
- Employee’s date of birth, if available.
- Employee’s date of hire, optional (currently reported by many payroll processing companies).

The Child Support Program and Employers

The Child Support Program and Employers

Employers play a vital role in helping to ensure the financial security of millions of our nation's children by working cooperatively with the Child Support Enforcement Program.

The Child Support Enforcement Program has been at work since 1975 when it was established by Congress under Title IV-D of the Social Security Act to collect child support payments for children in single-parent families. Although it has expanded greatly since its inception, the program's goals are still the same:

To ensure that children are financially supported by both parents

To reduce public assistance expenditures

State and local programs provide five basic child support enforcement services:

1. Locating non-custodial parents
2. Establishing paternity (legal fatherhood)
3. Establishing child support and medical support orders
4. Collecting and distributing child and medical support
5. Enforcing child and medical support orders

How Employers Are Helping

The following are some ways that employers who comply with child support laws help their communities:

Deducting for child and medical support obligations: Nearly 60% of all monies collected on behalf of America's children is collected by employers through income withholding.

Saving taxpayers' dollars: Child support collections reimburse public assistance spending and reduce costs for other social programs such as Medicaid and food stamps because fewer children remain in poverty. The Child Support Enforcement Program reduces government spending on welfare by increasing child support collections for families who would otherwise be forced to seek public assistance.

Prevent or reduce fraud: State agencies operating unemployment insurance and workers' compensation programs use new hire employment information to detect and prevent erroneous benefit payments and erroneous receipt of public assistance payments.

Employers' Responsibilities

New Hire Reporting

New hire reporting is the process by which you, as an employer, report information on your newly hired employees to a designated state agency shortly after the date of hire. New hire reports are matched against child support records at the state and national levels to locate parents who are not paying child support. This is especially helpful for interstate cases (in which one parent lives in a different state from his or her child), which are often the most difficult cases for states to resolve.

With new hire reporting, state child support enforcement agencies have the ability to issue income withholding orders--the most effective means of collecting child support--much more quickly.

The new hire report must include, at a minimum, the following information, found on a W-4 form:

Employee name, address, and Social Security number

Employer name, address, and Federal Employer Identification Number (FEIN)

(Some states may require or request additional data.)

Employers have 20 days to report their new hires to the state. (Some states have established more stringent reporting requirements.)

If you are reporting your new hire reports electronically or by magnetic media, you must report twice a month (if necessary).

Multistate Employers' New Hire Reporting Option

Multistate employers, those with employees working in more than one state and that report electronically, may select one of the following reporting options:

1. Report each newly hired employee to the state in which he/she is working, following the new hire regulations, requirements, and time frames of each state to which you report; or
2. Select one state where you have employees working and report all new hires to that state electronically.

If you choose the second option (to report new hire data on all employees to only one state), you must notify the Secretary of the U.S. Department of Health and Human Services as to which state you have designated to receive all your new hire information. For information on how to notify the Secretary:

- Call the Office of Child Support Enforcement (OCSE) Information Line: (202) 401-9267, 7:30 a.m. – 5:30 p.m. ET
- Visit the OCSE employer website at <https://ocsp.acf.hhs.gov/csp/home/employer>.

Income Withholding

Income or wage withholding by employers is the most effective method of child support collection. Income withholding is the court-or administrative agency-ordered deduction of child and medical support obligations from a parent's income. The employer deducts the specified amount each pay period and sends it to the agency responsible for receiving and accounting for child support.

Direct income withholding allows one state to send an income withholding order to a non-custodial parent's employer in another state. While income withholding for child support is not new for employers, receiving an order directly from another state may be new to you.

Most states are now using a standard income withholding order developed by OCSE. If the income withholding order appears "regular on its face" you must honor it and

Provide a copy of the order/notice to the employee immediately.

Begin income withholding and send the payments to the address cited in the withholding order/notice.

Continue to honor the withholding order/notice until you receive official notification from the child support enforcement agency/court to stop or make a change to the withholding.

Income withholding for child and medical support has priority over all other legal processes against income except for federal tax liens that were served before the child support order was served.

Income withholding for child and medical support may not exceed the maximum amount allowed under the Consumer Credit Protection Act (CCPA) and similar state laws.

Medical Support

Medical support is a form of child support often provided as health care insurance under a parent's policy. If neither parent has health care insurance, the child support order may provide for a specific dollar amount to be deducted for medical purposes. Employers are required to honor medical support orders established under state law. A court or administrative agency may require your employee to provide health insurance for his/her dependents. Courts require coverage if it is available to an employee at a "reasonable cost" defined as coverage available through the employer or other group health insurance (for example, a union).

You may receive an order from the court or administrative agency to enroll an employee's dependents in an insurance plan and withhold premiums from the employee's wages. This order may be in addition to an order to withhold a monetary child support obligation.

What Do I Need to Know about Medical Support?

Employers and health insurance providers need to know that:

The dependent(s) must be enrolled in a family insurance plan without regard to seasonal restrictions (i.e., open enrollment).

The dependent(s) may not be denied coverage on the grounds that the parents were never married, that the dependent is not claimed on the employee's federal income tax return, or that the dependent does not reside with the employee or in the insurer's service area.

The employee may not eliminate coverage of the dependent unless the employee provides written proof that the order is no longer in effect or that the dependent will be enrolled in a comparable health insurance plan elsewhere.

New Features to Help Employers

Centralized Collections

As of October 1, 1999, each state child support enforcement agency is required to have a centralized, computerized unit (State Disbursement Unit) for the collection and disbursement of child support. Therefore, you may no longer have to send checks to multiple localities in a state.

State Disbursement Units (SDUs) handle payments for all orders enforced by the child support enforcement agency, plus all private child support cases (non-IV-D cases) for which an order was issued on or after January 1, 1994, requiring income withholding as the method of payment.

Some states require all payments to be sent to the SDU.

Benefits of Centralized Collections

Reduced check processing cost

Reduced postage and handling cost

Opportunity to use electronic transmission of payments and payment information

Faster payments to children and families, resulting in fewer calls to employers and non-custodial parents

Many state child support agencies now offer payment by Electronic Funds Transfer/Electronic Data Interchange (EFT/EDI), which enables employers to transmit child support income withholdings electronically. All state child support agencies should be able to provide this service sometime in 1999.

EFT electronically transfers dollars from one bank account to another. EDI transfers information. Employers can now use EFT/EDI to transfer child support payments and remittance information simultaneously to the centralized SDUs. However, employers are not required to use EFT/EDI; it is optional.

Benefits of EFT/EDI

Faster and more efficient than mailing paper checks and remittance information

Saves postage and administrative processing costs

Reduces the chances of errors like unidentified payments

There is a specific format for EFT/EDI child support payments. If you are interested in using EFT/EDI to submit income withholdings, contact the state child support agency to which you send income withholdings.

Instructions for Form CBT-2553

- Purpose** - A corporation must file form CBT-2553 to elect to be treated as a New Jersey S corporation or a New Jersey QSSS or to report a change in shareholders. Check the appropriate box to indicate if this is an initial S corporation election or a change in S or QSSS corporation shareholders or a New Jersey QSSS election.
- Who may elect** - A corporation may make the election to be treated as a New Jersey S corporation only if it meets all of the following criteria:
 - The corporation is or will be an S corporation pursuant to section 1361 of the Federal Internal Revenue Code;
 - Each shareholder of the corporation consents to the election and the jurisdictional requirements as detailed in Part II of this form;
 - The corporation consents to the election and the assumption of any tax liabilities of any nonconsenting shareholder who was not an initial shareholder as indicated in Part III of this form.
- Where to file** - Mail form CBT-2553 to: New Jersey Division of Revenue and Enterprise Services (DORES), PO Box 252, Trenton, NJ 08646-0252.
- When to make the election** - The completed form CBT-2553 shall be filed within one calendar month of the time at which a Federal S corporation election would be required. Specifically, it must be filed at any time before the 16th day of the fourth month of the first tax year the election is to take effect (if the tax year has 3-1/2 months or less, and the election is made not later than 3 months and 15 days after the first day of the tax year, it shall be treated as timely made during such year). An election made by a small business corporation after the fifteenth day of the fourth month but before the end of the tax year is treated as made for the next year.
- Acceptance or non-acceptance of election** – DORES will notify you if your election is accepted or not accepted within 30 days after the filing of the CBT-2553 form. If you do not receive a notice within 30 days, you may call DORES Customer Service Center at (609)292-9292.
- End of election** - Generally, once an election is made, a corporation remains a New Jersey S corporation as long as it is a Federal S corporation. There is a limited opportunity to revoke an election only during the first tax year to which an election would otherwise apply. To revoke an election, a letter of revocation signed by shareholders holding more than 50% of the outstanding shares of stock on the day of revocation should be mailed to the address in instruction 3 on or before the last day of the first tax year to which the election would otherwise apply. A copy of the original election should accompany the letter of revocation. Such a revocation will render the original election null and void from inception.
- Initial election** - Complete Parts I, II and III in their entirety for an initial New Jersey S Corporation election. Each shareholder who owns (or is deemed to own) stock at the time the election is made, must consent to the election. A list providing the social security number and the address of any shareholder who is not a New Jersey resident must be attached when filing this form.
- Reporting shareholders who were not initial shareholders** - Complete Parts I, II and III when filing this form to report any new shareholder. A new shareholder is a shareholder who, prior to the acquisition of stock, did not own any shares of stock in the S corporation, but who acquired stock (either existing shares or shares issued at a later date) subsequent to the initial New Jersey S corporation election. If a new shareholder fails to sign a consent statement, the corporation is obligated to fulfill the tax requirements as stated in Part III on behalf of the nonconsenting shareholder. An existing shareholder whose percentage of stock ownership changes is not considered a new shareholder. If the taxpayer previously had elected to be treated as a New Jersey QSSS, the new shareholder must also complete Part V.
- Part IV** should only be completed for any person who is no longer a shareholder of the corporation. You do not have to enter any shareholder who sold or transferred all of his or her stock before the election was made. All changes can be filed with the S corporation final return.
- Part V** must be completed in order to permit a New Jersey S Corporation to be treated as a New Jersey Qualified Subchapter S Subsidiary and remit only a minimum tax. Complete parts I and II, in addition to Part V. The parent company also must consent to filing and remitting New Jersey Corporation Business Tax which would include the assets, liabilities, income and expenses of its QSSS along with its own. Failure of the parent either to consent or file a CBT-100 or CBT-100S for a period will result in the disallowance of the New Jersey QSSS election and require the subsidiary to file and remit a CBT-100S determining its own liability.

THIS NOTICE OF ELECTION PROVIDES FOR THE PRECOLLECTION OF THE NEW JERSEY MOTOR FUEL TAX ON ALL REMOVALS FROM ALL OUT-OF-STATE TERMINALS LISTED ABOVE WHERE SUPPLIERS OR PERMISSIVE SUPPLIERS ARE POSITION HOLDERS.

We elect to treat all removals from all out-of-state terminals with a destination into New Jersey as shown on the terminal-issued shipping papers as if the removals were removed across the rack by the supplier from a terminal in New Jersey as provided in Section 54:39-118.

We agree to precollect the New Jersey motor fuel tax in accordance with Chapter P.L. 2010. C22 on all removals from a qualified terminal where we are a position holder without regard to the license status of the person acquiring the fuel, the point of terms of the sale or the character of delivery.

We further agree to waive any defense that the State of New Jersey lacks jurisdiction to require collection on all out-of-state sales by such person as to which the person had knowledge that the shipments were destined for New Jersey and that New Jersey imposes the requirements under its general police powers to regulate the movement of motor fuels.

NOTICE OF ELECTION must be signed by an authorized representative of the company as listed in Section 5 of this application.
